¹ If charged to office, the remainder of the form must be completed. If an extension fee, continuation, divisional, or fee filing fee, or notice of appeal fee is charged to the office, the responsible partner shares the cost and must sign this request. In cases of combined attorney/client delay, the partner is expected to bill a reasonable amount to the client. Any remaining amount will be divided between the partner and the office according to the applicable percentage (0% of month 1 fee + 25% of month 2 fee + 50% of month 3 fee + 50% of month 4 fee).

² All client-related office charges greater than \$200 must be approved by GRLee. If advance approval is not possible, the person requesting the check must submit a write off request to GRLee as soon as possible. Forms are found in Public Folders..
